FOR IMMEDIATE RELEASE

Weekend Closure of Hampshire Road On-Ramp for US 101/23 Interchange Improvement Project

Thousand Oaks - The California Department of Transportation (Caltrans) will close the northbound US 101 Hampshire Road on-ramp beginning Friday, October 23 at 8 p.m. The ramp will remain closed through Monday October 26 at 6 a.m.

During the weekend ramp closure motorists are encouraged to use the northbound US 101 Rancho Road on-ramp. It is recommended that motorists traveling on Hampshire Road take the southbound US 101 on-ramp at Hampshire, exit at Westlake Boulevard, and enter northbound US 101 using the loop on-ramp. Detour signs will be posted.

The interchange project adds a lane to the U.S. 101/SR-23 connector and to US 101 at various locations; widens three bridges; realigns the Moorpark Road ramps; and constructs soundwalls and retaining walls throughout the project limits.

The speed limit on the SR-23 and US 101 freeways within the project area has been reduced to 55 miles per hour. Motorists are reminded to slow down within the project corridor, use caution and observe all posted signage while traveling through the construction zone.

Security Paving is the contractor on the project, estimated to complete in spring 2016. For more information regarding this work, visit the project website www.toaks.org/10123

Caltrans reminds you to **“Slow For the Cone Zone.”**
